Dear Friends of CNYCA,

On behalf of the California State Senate Republican Caucus, I wish you success, prosperity, and longevity as we celebrate 2022 - Year of the Tiger.

The Lunar New Year, also known as the Spring Festival, is a significant holiday celebrated by 2.5 million Asian American residents of California. Festivities are abundance filled with traditions for families and generations young and old as those who celebrate it bid farewell to the old and open doors to fresh opportunities and beginnings.

As we begin a new legislative session, Senate Republicans continue to work hard to restore the California promise to you and your family. The Golden State is home to 4.1 million small businesses and many are proudly-owned by Asian American entrepreneurs. Over the past two years, more than 19,000 of our small businesses have shuttered their doors permanently. Struggling job creators such as restaurants, nail and hair salons are seeing their dreams destroyed and livelihoods crushed. In 2021, Senate Republicans advocated to ensure that our job creators continue to operate and pushed the Governor to include \$2.6 billion in grants to assist our small businesses who have experienced economic hardship as a result of restrictions brought on by COVID-19.

Californians have seen a recent uptick in crime, especially against Asian American community. I have expressed my views on the Senate floor about these horrible crimes and continue to fight for policies that ensure a safer California for you and your families. To mark the Lunar New Year, I proudly joined with other members of the Republican Caucus and supported Senate Resolution 64 declaring February 1, 2022 as the start of the official celebration.

Xīnnián kuàilè (新年快乐), Gōng xǐ fā cái, Happy New Year!
